INTRODUCTION

Our Unique Betting Supply Service

What makes CBF different is our ability to provide a Total Solution. Starting with an audit of your requirements, we will recommend the best and most cost effective solutions to satisfy those needs.

Our independence guarantees an impartial yet pragmatic approach, which means you see the benefits of real choice at a competitive price. We can give you a full price schedule for all your betting slips and consumables etc., for comparison with your present supplier.

Print

As a specialist print supplier, CBF is able to supply any requirement you may need from betting slips to a corporate brochure.

Artwork / Design

We can offer full artwork studio facilities which utilise the latest in computer & image technology. Whether you require exact matching or a new corporate image we have the capabilities to meet your needs.

Shop Stationery, Consumables & Janitorial Products

We carry large stocks of all shop products including cleaning supplies and printer toners. If your audit reveals anything out of the ordinary, we guarantee to hold sufficient consumables to meet any requirement you may have.

Storage & Distribution

Our site situated on the Wirral Peninsula comprises an environment-controlled warehousing space, a pick and pack operation and our own delivery vehicles, all of which enable us to manage complex multi-site delivery schedules effectively. We can stock, distribute and manage any consumable requirement locally or nationally.

Customer Account Management

Each customer has a dedicated Account Manager with an aim to build a working partnership with you and your organisation. We tailor our service to the individual, using our many years of experience within an ever changing market place.

Economies of scale in the purchase of printed material offer the best value for money.

In the majority of organisations print and consumables are non-core activities, but a sizeable overhead - why not look at the alternative and out source to the company with the right expertise - we guarantee to save you both time and money.

Credit Card / Debit Card

Invoicing can be per delivery, weekly or monthly.

Credit Cards and Debit Cards are also accepted with full VAT breakdown on your statement.

Full management information available for call offs and distribution contracts.
